

Cardinal Tile Painting

#55

Starting Bid **\$75.00**

Donated by **Shannon Ratts**

This hand-painted tile features a striking nature scene with a pair of red cardinals perched on a birch tree branch against a vivid blue sky. Delicate white birch trees with intricate details extend beyond the central scene, adding depth and contrast to the composition. Additional smaller cardinals in the background enhance the sense of movement and life in the piece. Signed by the artist, Shannon Ratts, this artwork beautifully captures the serene beauty of nature and would make a stunning decorative piece in any space.
