

Cityrun Electric Bike â€“ Emerald Green

#27

Starting Bid **\$700.00**

Retail Value \$1,200.00

Donated by **Louie & Carrie Sanchez**

Upgrade your ride with the **Cityrun eBike**, built for both urban commutes and weekend adventures. Featuring a **1000W peak motor** and a **21 MPH top speed**, this powerful eBike ensures a smooth, efficient journey. The **hydraulic front suspension** absorbs shocks for a comfortable ride, while the **26"x2.5" tires** provide excellent stability.

Enjoy an impressive **55-mile range** on a single charge, powered by a **720Wh battery**. With a **350-pound max load capacity**, this eBike is designed for versatility and reliability.

Includes:

- â€” Charger
- â€” User Manual
- â€” Toolkit Box
- â€” Keys
